

# DRONE LIGHT SHOWS

2025

**Technology that**  
**speaks through light**

**7,000-drone  
aerial fleet**

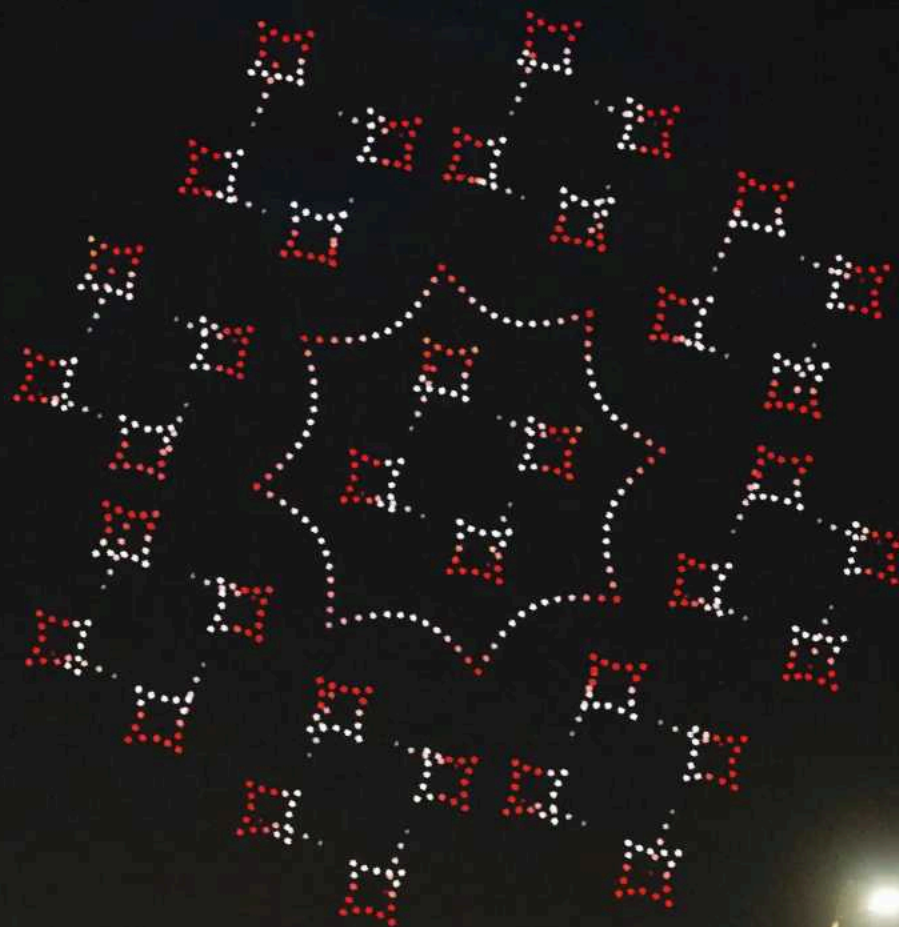

**8 m/s ultra-fast,  
fluid animations**

**20-min flight time —  
longest in the industry**

**Riyadh-based,  
delivering everywhere**

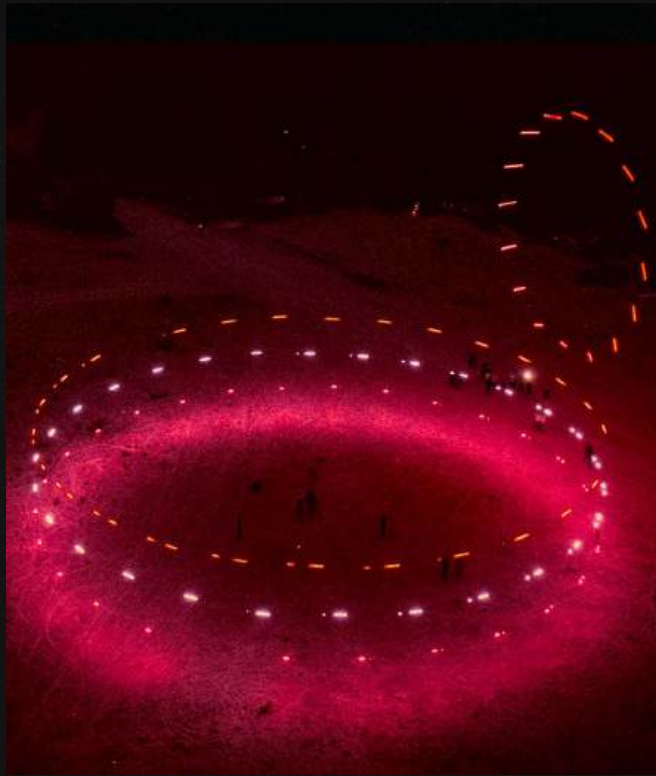

# Formats drone shows can take

Beyond traditional drone shows, there are also...

## PYRODRONES

A fusion of fire and flight — drones equipped with pyros.

## IMMERSIVE SHOW

The show happens around you. Literally.

## ARCHITECTURE-BASED SHOW

Framing and extending the existing architecture.

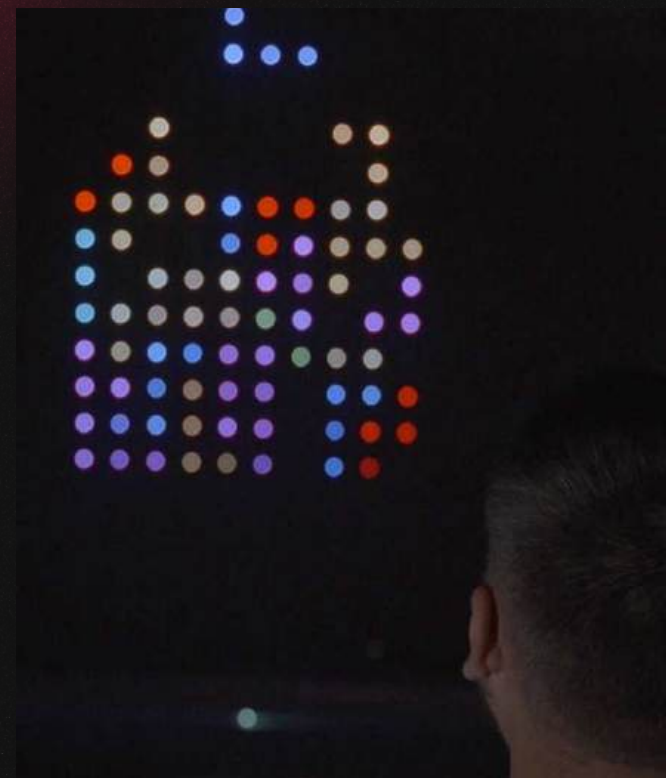

## DRONE AND LASER SYNERGY

Aerial art that completes the space or a standalone visual statement.

## SYNC WITH MUSIC

Real-time synergy with sound — visuals that feel the rhythm.

## REAL TIME

Tetris? Live? Absolutely. Real-time gaming in the air.

# Drone shows across industries

Drone shows serve as a versatile medium to enhance any event, deliver essential messages, spread positive vibes, leave memorable impacts, and draw significant attention. We have already proven this on the following types of events...

**National celebrations**

**Festivals & concerts**

**Marketing campaigns**

**Sporting events**

**Grand openings**

**Educational events**

**Private parties**

**Art performances**

# How we create drone shows

## > Plan

**5-3 weeks  
before event**

A safe flight zone and best viewing spots are confirmed, followed by securing flight permits with you.

01

## > Design

**3-2 weeks  
before event**

Once the concept is approved, animation and programming work starts.

02

## > Delivery

**1 week  
before event**

The equipment and operation team arrive on site.

03

## > Set Up

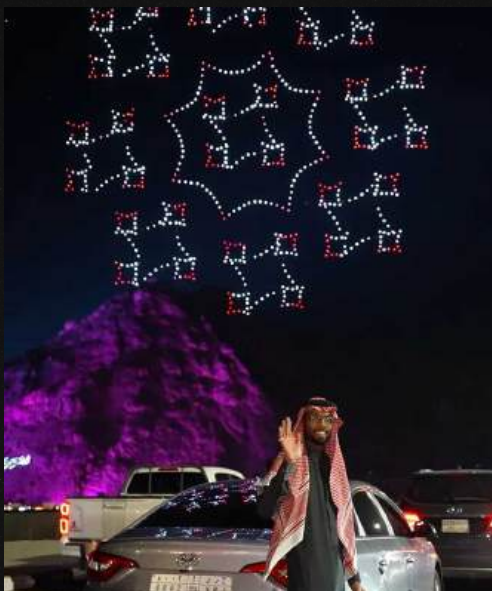

**4-3 days  
before event**

Final safety checks and additional test flights are performed to ensure smooth operation of the show.

# AC Milan

To mark AC Milan's 125th and Casa Milan Dubai's 1st anniversary, Cyberdrone launched a 1,000-drone show featuring iconic jerseys, the club crest, and Emirates' "Fly Better" in the Dubai sky.

“

We enjoyed collaborating with Cyberdone for our incredible 1,000-drone show – it allowed us to engage with our audiences, surprise and inspire our fans in new ways and provide visibility to our Partners. We like to say we are bringing our Club's to new heights and Cyberdone did just that for us!"

# Plan B Forum

In Europe, Cyberdrone continues to build lasting relationships through light, technology, and trust. Our performances in Switzerland—especially at the Plan B Forum in Lugano, where we’ve taken part for three consecutive years—reflect just how strongly drone shows can resonate when crafted with purpose.
